Dear Court Clerk,

I am MiTris S. Pointer, a Federal inmate, #54985-039 presently housed at Secure Female Facility Hazelton in Bruceton Mills, WV. I am writing seeking this Honorable Court's assistance with having virtual video visitation with my family, including my 5 dependent children who are in the care of my mother, Mrs. LaTris Pointer-Williams and my grandmother Mrs. Melinda Pointer-Pope.

It has been over a year since I have seen my children and family. And now due to the current COVID-19 pandemic, there are NO contact visits being held or allowed at the time. I have requested through my previous case manager to have these privileges but was denied. The court's record should reflect in or around 2017, Judge Bernard A. Friedman agreed that I should be afforded these privileges. At the time I was awaiting sentencing and housed at Bad Axe County Jail, I was transferred to Sanilac County Jail where I was afforded those privileges. There was no abuse or violation of these privileges. Therefore, I am respectfully asking if Judge Bernard A. Friedman could recommend my being able to have virtual video visitation.
